* *U.S. v. G. G. Jackson*, 1990 WL 10012 (S.D. Cal., 1990).

$$T_1 = T_2 = \dots = T_n = T$$

The *Hebrew Bible* is one of the most important texts in the history of the Jewish people. It is a collection of books that were written over a period of many centuries, and it contains the stories, laws, and teachings that have shaped the Jewish faith. The *Hebrew Bible* is divided into three main sections: the Law, the Prophets, and the Writings. The Law, which is the first section, contains the Ten Commandments and other laws that govern the life of the Jewish people. The Prophets, which is the second section, contains the writings of the prophets who spoke for God to the people. The Writings, which is the third section, contains the books of the Psalms, the Proverbs, and other books of wisdom. The *Hebrew Bible* is a treasure of knowledge and wisdom that has been passed down from generation to generation.

On the right-hand side of the table, indicate the appropriate box in column 1.
